

WHEELBARROWS FOR CLEANING AND DISINFECTION

LAVOR
SIMPLY STRONGER

CLEANING AND DISINFECTION NEEDS ARE GROWING

Due to COVID-19 emergency,
the consumer demand for cleaning and disinfection products

IS CONSTANTLY GROWING

WE HAVE ALL THE
SOLUTIONS TO SATISFY
CONSUMER NEEDS

WHEELBARROWS

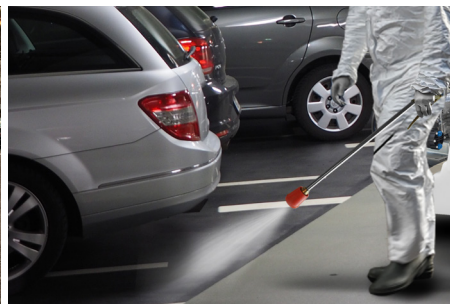

THE WHEELBARROWS ARE LARGE TANKS ON WHEELS CONNECTED TO A MOTOR PUMP, THAT PRESSURIZES THE WATER AND SPRAYS IT IN THE OUTDOOR ENVIRONMENT THROUGH A LANCE WITH SPECIAL NOZZLES.

MAINLY USED IN AGRICULTURAL SECTOR FOR SPREADING PROTECTION PLANT PRODUCTS, WHERE HIGH PRESSURE IS NOT REQUIRED (MAX 40 BAR).

FOLLOWING SIMPLE ORDINARY MAINTENANCE RULES, THE WHEELBARROWS ARE PARTICULARLY EFFECTIVE EVEN FOR

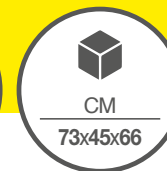

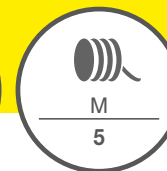

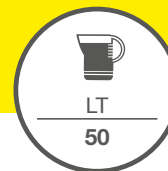

SANITIZATION TREATMENTS

STREETS • SIDEWALKS • WALLS • PARKING LOTS • URBAN FURNITURE • INDUSTRIAL BUILDINGS

WHEELBARROWS

CRL 50

AVAILABLE IN 2 VERSIONS

electric motor · internal combustion engine

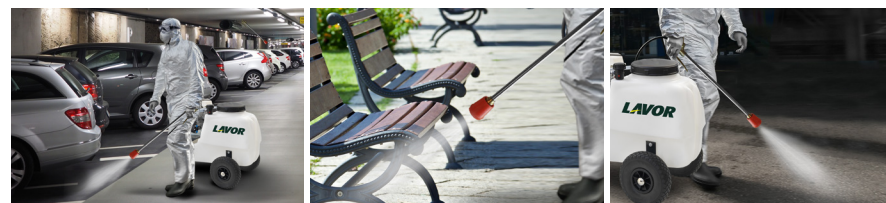

3.554.0051

MC 20/20
with electric motor
MNF 230/50

3.554.0052

MC 20/20
with internal combustion engine
Loncin LC148F-2 S BA

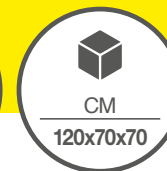

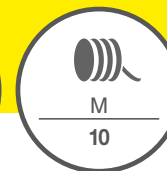

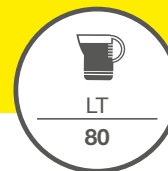

- Tank in high strength polyethylene
- Very low barycentre that guarantees stability
- Complete emptying even on ground that is not perfectly flat
- Points for fastening the lance
- Lever spray gun with nozzle and diffuser
- External suction filter located at the top
- Tow hook kit applicable
- Tubular frame with detachable handles
- Frame support foot part of the frame, not removable
- Optional hose reel on request

COD. 0.068.0001 **CRL 50**

With accessories included, without motorpump.

WHEELBARROWS

CRL 80 BATTERY

AVAILABLE IN 2 VERSIONS MTP CBM 1200 HP · MTP CBM 1500 HP

3.554.0053 MTP CBM 1200 HP 12V + 24AH battery + accessories

3.554.0054 MTP CBM 1500 HP 12V + 35AH battery + accessories

3.554.0056 MTP CBM 1200 HP 12V + 24AH battery (not included) + accessories

3.554.0057 MTP CBM 1500 HP 12V + 35AH battery (not included) + accessories

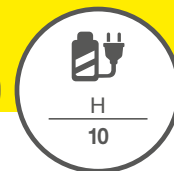

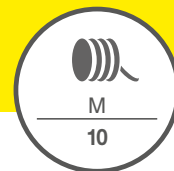

- Autonomous battery for intensive use up to 3 hours
- High-pressure electric pump for spraying with a maximum range of 7 meters
- The pressure switch ensures the pump is switched on only when the nozzle is activated
- Brass lance with integrated nozzle
- Standard pressure regulator
- 12V charger with charge indicator
- Glycerine pressure gauge
- 5 meter hose

COD. 0.068.0004 **CRL 80 BATTERY**

Battery, accessories and motorpump not included.
